Retiree Dental Insurance

- Retiree and spouse keep retiree dental insurance until the retired employee turns age 65, once the retired employee turns 65 both parties lose coverage.

Medicare and UAW Retiree Medicare Advantage Plan.

- An **active employee** that is already **65** or older that is retiring or any **covered dependent** that is already **65** or older of an active employee that is retiring **must** be signed up for **Medicare Part “A” and “B”** the first day of the month following the active employees retirement date. For example: Employee retires **June 15th**, the employee or their covered dependents **Medicare Part “A” and “B” must begin July 1st.** The employee or the employees covered dependent should begin the process for signing up through their Social Security office around 60 to 90 days before their retirement date. **A copy of their Medicare card must be provided to Collen Johnson the Benesys representative before the employees retirement date. Contact the UAW Benefits Representative with any questions.**
- If an active employee or any dependent of an active employee has Medicare Part “A” and “B” prior to the employee’s retirement, they must continue Medicare Part “A” and “B” to be eligible for retiree healthcare. **A copy of their Medicare card must be provided to Collen Johnson the Benesys representative before the employees retirement date. Contact the UAW Benefits Representative with any questions.**

- To remain on the UAW retiree healthcare plan a retiree or any retiree covered dependent must be signed up for Medicare Part “A” and “B” starting with the month of their 65th birthday. For example; the retiree’s 65th Birthday is July 29th, they must be signed up for Medicare Part “A” & “B” by July 1st. The retiree or dependent should start the process to sign up through their Social Security office around 60 to 90 days before their birthday. **A copy of their Medicare card must be provided to Collen Johnson the Benesys representative before the retiree turns age 65. Contact Collen Johnson at Benesys or the UAW Benefits Representative with any questions.**
- If a retiree or any dependent of a retiree **under age 65** becomes eligible for Medicare Part “A” and “B” they must pick up both Medicare Part “A” and “B”. **They also must notify Collen Johnson at Benesys immediately and they must provide her with a copy of their Medicare “A” and “B” card immediately.**
- Retired employees and any dependents of retired employees that have Medicare “A” and “B” will be in the **Retiree BCBSM Medicare advantage Plan** and should **not** use their government issued Medicare “A” and “B” card and should only use their **BCBSM Medicare advantage card** for any medical services received. Keep your government issued Medicare “A” and “B” card but **Do Not Use It.**

Express Scripts Drug Plan for Retirees

- Mail order through Express Scripts is required for maintenance medication for Non-Medicare retirees but is not required for Medicare retirees. Mail order allows for a 3 month supply of medications with only a 2 month co-payment.

Helpful Hints

- Use [goodrx.com](https://www.goodrx.com) to price all medications you use to see if there is a Pharmacy located near you that may have a lower co-pay than your Express Scripts Plan coverage does.
