UAW DAIMLER TRUCK RETIREES MEMBERS ON MEDICARE

Vaccines covered and Mammogram

Flu Vaccine and Pneumonia vaccines are both covered at 100%. The member should present their BCBS MA PPO card to either the doctor or at an Express Scripts network pharmacy (ex: Walgreens, Rite Aid etc) both in and out of state.

Shingles Vaccine covered under Express Scripts for Medicare members, the Shingrix vaccine is covered.

3D Mammograms are covered at 100% if it is a yearly, routine screening. If it's a diagnostic request, Medicare will not cover it.

Members should always have provider call to verify 3D Mammogram coverage due to coding.

Thank you,
